**NOTICE OF APPEARANCE OF DUQUESNE LIGHT COMPANY**

Duquesne Light Company, by its undersigned counsel, hereby enters its appearance pursuant to Paragraph 71 of the Commission's Order to Show Cause, Hearing Designation Order, and Notice of Opportunity for Hearing in the above-captioned proceeding. Duquesne

Light Company will appear on the date to be fixed for hearing and present evidence on the issues specified in the Hearing Designation Order released in this proceeding on April 19, 2011.<sup>1</sup>

Duquesne Light Company requests that its undersigned counsel be substituted for the existing company business contact in this proceeding and that all future notices and service of documents by the Commission or any of the parties be directed to its counsel.

The Commission does not appear to require the payment of filing fees by parties “designated for hearing in a renewal, assignment/transfer, or revocation proceeding.”<sup>2</sup> Since Duquesne Light Company’s participation in the Hearing Designation Order involves its pending assignment application in the context of a license revocation proceeding, a filing fee does not appear to be required. To the extent a filing fee is required, Duquesne Light Company has notified the Office of the Managing Director and requested a deferral of such fees. A copy of the request for deferral of fees is attached.

Respectfully submitted,

**Re: Request for Deferral of Fees--**

***In re Maritime Communications/Land Mobile, LLC, Order to Show Cause, Hearing Designation Order, and Notice of Opportunity for Hearing, EB Docket No. 11-71, FCC 11-64***

Dear Mr. VanRoekel:

We represent Duquesne Light Company, whose application for assignment of license (FCC File No. 0004193328) from Maritime Communications/Land Mobile LLC ("MC/LM") has been designated for hearing in connection with the Order to Show Cause, Hearing Designation Order and Notice of Opportunity for Hearing ("Order") issued by the Commission in the above-captioned proceeding on April 19, 2011. In the same proceeding, MC/LM has been ordered to show cause why certain of its licenses should not be revoked.

The Commission has stated that renewal, assignment/transfer, and revocation proceedings "are in the nature of an enforcement action against a licensee and the imposition of a fee against the licensee would be inconsistent with the licensee's right to a hearing."<sup>1</sup> Because the instant proceeding involves Duquesne Light Company's pending assignment application in the context a proposed license revocation, a filing fee does not appear to be required to participate in the subject Hearing. **To the extent a filing fee is required, Duquesne Light Company requests a waiver or deferral of such fees for the reasons stated previously by the Commission.**
